

MARIO A. RODRIGUEZ

(1964-2021)

Mario graduated the Court Reporting Institute of Dallas in 1987. He worked for Bossard Associates from 1988 to 1994. Mario started MAR Reporting Group in October of 1997 where he went on to grow his business acquiring other agencies in the NOVA area. He was the brain child of Fall Education Day, the CCR program, and Pro Bono program. If he could have stayed on the board forever, I think he would have. He loved Kip, his dogs, family and friends. He was a recipient of the Frank G. Tayloe award.
